## Marketing & Communications Intern

The Owen Sound Attack are seeking a motivated, outgoing and dedicated candidate to become an integral part of our team. You will be vital in assisting the Marketing and Communication team in a variety of tasks that can include but are not limited to game day operations, creating digital content, social media, and community outreach.

Reporting to the Manager, Marketing & Communications, the successful candidate will enjoy working as part of a team, gain valuable hands-on experience within the top junior hockey league in the world. As a member of the Attack family, we will help provide you with a wide variety of experiences during time working with the team.

### Responsibilities Include

- Monitoring social media channels, including writing feature articles for the web, and building content
- Assisting with community engagement programs including school visits, and public appearances
- General administrative support for full-time members of Attack business operations staff
- Game day preparation and execution of promotions
- Other miscellaneous duties as assigned.

### Required Skills, Experience and Abilities

The qualifications listed below are necessary to perform essential functions of this position. To be successful in this role, you should be able to perform each duty:

- Possess a Province of Ontario Class G (or equivalent) drivers license
- Proficient in basic computer software programs (Microsoft/Google Suite)
- Positive attitude and willingness to assist others
- Willingness to be coached
- Highly motivated with a strong work ethic
- Excellent written and verbal communications skills
- Ability to work in a diverse, fast paced environment
- Enthusiastic and energetic personality
- Professional demeanor and ability to engage with diverse co-workers and clients
- Flexible work schedule – including some nights and weekends
- Possess strong time management skills, ability to prioritize tasks and work independently
- Familiar and competent with Adobe Photoshop and other Creative Suite programs
