

ERIE OTTERS

DIGITAL PROGRAM

2025 - 2026

DEAR OTTERS NATION,

As a family, it brings us tremendous pride to welcome you back for another season of Erie Otters hockey. When Jim first took on the honor of leading this franchise, he did so with a vision that stretched beyond the ice. For him, the Otters were never just a hockey team — they were a family, a source of pride for Erie, and a community bound together by passion, loyalty, and tradition. That belief lives on in everything we do today.

Every game at the Erie Insurance Arena is a reminder of what makes this team special. The fans, players, staff, and partners come together under one roof to celebrate more than just goals and victories — we celebrate unity. Jim always said that every person who wore the Otters crest, cheered from the stands, or supported the team in any way was a part of the **Otters Family**. This season, we carry his words in our hearts, determined to keep building on the legacy he left us.

At the same time, we look ahead with excitement. The resilience, talent, and drive of this year's team reflect the very best of what Jim envisioned. With Head Coach Kris Mallette at the helm, we know we have a leader who will be a champion of that vision of togetherness — someone who will inspire our players, push for **the success this city deserves**, and guide us toward the victories that honor both our past and our future.

To our fans — you are the heartbeat of this franchise. Your energy, your voices, and your loyalty fuel the Otters every time they take the ice. Together, we'll create moments this season that carry forward Jim's spirit while writing a new chapter of Otters hockey history in **Erie**.

So let's fill the EIA with the same passion and pride that has always defined Otters Nation. **For Jim, for Erie, and for each other** — let's make this season unforgettable.

Go Otters!
