- **Adopt-a-School Program:** In partnership with local businesses, local schools are given tickets for Spirit games to be used as rewards for student leadership, academic and athletic achievement, and attendance records
- **Special Events:** In partnership with local Foundations, the Spirit Foundation helps raise money and awareness for various causes. Some examples of this would be the annual Hockey Fights Cancer Night aimed towards cancer awareness; the Shocks & Saves game, which raises awareness for heart health and purchases AED's to be placed throughout the region; and the Hockey for the Homeless game, in partnership with the Saginaw Rescue Mission.
