ABOUT THE WHL

The Western Hockey League started with just seven teams based in the provinces of Saskatchewan and Alberta in 1968. Today, the WHL has representation in all four Western Canadian provinces and the U.S. states of Oregon and Washington. The WHL now consists of 22 member Clubs with 18 based in Canadian markets and six in the U.S. Pacific Northwest.

The WHL is a member of the Canadian Hockey League (CHL) whose membership is comprised of three major junior hockey leagues: Ontario Hockey League (OHL), Quebec Major Junior Hockey League (QMJHL) and the Western Hockey League (WHL). At the conclusion of each League's playoffs, the CHL hosts the Memorial Cup Presented by Kia, a national championship tournament involving each of the three Leagues' Champions and the tournament host.

The WHL is regarded as one of the finest development Leagues in the world today. Each season, the WHL is one of the top Leagues from which players are selected from in the NHL Draft. Currently, 20% of all NHL players are graduates of the WHL. The WHL is also a leading provider of post-secondary scholarships with over 400 scholarships awarded each year to current and graduate WHL players, more than any other League in North America.

2024-25 STANDINGS & PLAYOFFS

The first-place teams in the two Divisions in each Conference will receive the top two playoff seeds based on Regular Season points. The next six Clubs in each Conference, based on Regular Season points, will receive the third to eighth playoff positions.

Clubs advancing to the second round and Conference Championships will be re-seeded each round based on Regular Season points. The two Conference Champions will advance to the WHL Championship Series, with the Club possessing the most Regular Season points receiving home-ice advantage.

All series throughout the 2023 WHL Playoffs will follow a best-of-seven format.

WHL Regulation – Tiebreaking Procedure

The Club having the greater points-per-game percentage shall be awarded higher position.

In the event two Clubs finish tied in total points-per-game percentage in WHL standings, the edge goes to the Club with the most victories. If that is a tie, it will go to the Club with the most points in games between the two Clubs during the regular schedule. If the two Clubs are still even, the edge goes to the Club with the highest ratio when taking goals for and subtracting goals against in regular season play. If it is still a tie, the edge will go to the Club with the highest ratio when taking goals for and subtracting goals against in games played between the two Clubs in regular schedule play.

SCHOLARSHIPS

NOAH CHADWICK — LETHBRIDGE HURRICANES
2023-24 WHL SCHOLASTIC PLAYER OF THE YEAR

SCHOLARSHIP 2024-25

WESTERN HOCKEY LEAGUE

The 2024-25 campaign serves as the 32nd year of the WHL Scholarship program. Established on a league-wide basis in 1993-94, nearly 8,000 WHL Scholarships have been accessed, representing an investment of over \$35 million by WHL Clubs. This season, WHL Clubs will contribute in excess of \$2.5 million to the 350 WHL graduates utilizing the WHL Scholarship. The WHL offers players the opportunity to play at the highest level in the Canadian system without compromising their academic goals.

Each WHL Club's Education Advisor, along with the WHL Director of Education Services, tracks the academic progress of all players throughout the season. While playing in the WHL, players receive financial assistance for education expenses such as high school tutoring or fees for post-secondary courses, to ensure players reach their academic potential.

While a player's primary on-ice goal is to win the WHL Championship and compete for the storied Memorial Cup, it is equally important for that player to set his sights on academic success as well. WHL Clubs are governed by League-wide Education Standards that ensure players complete their high school in timely fashion and achieve the highest level of academic success possible.

The WHL is committed to recognizing academic excellence. Awards are presented annually to the WHL's Scholastic Player and Scholastic Team of the Year.

The WHL Scholarship is fully guaranteed for every season a player participates in the WHL, he is entitled to a full year of tuition, textbooks and compulsory fees to a post-secondary institution of his choice. Once a player graduates from the WHL, and provided he does not sign a professional contract with an NHL Club, he is eligible to obtain a fully indexed scholarship for each year played in the WHL.

Administered by the WHL Office, WHL Scholarships are solely funded by the WHL member Clubs. Every player who plays in the WHL is eligible to receive the WHL Scholarship. For every season a player plays in the WHL, they receive a guaranteed, full-year of WHL Scholarship including tuition, textbooks and compulsory fees to a post-secondary institution of their choice.

The WHL Scholarship is a fully-guaranteed academic scholarship with no requirement to play university hockey to qualify. The WHL graduate can apply the funding to any post-secondary or career-enhancing program of his choice, including trades schools or professional career training programs.

In addition to the WHL Scholarship players receive upon graduation from the WHL, all current WHL players are encouraged to enroll in post-secondary courses and these courses are also fully funded by WHL Clubs. On average, 150 current WHL players take post-secondary courses while playing in the WHL. The financial assistance received for post-secondary studies while playing does not impact on the WHL Scholarship benefits a WHL player is entitled to upon graduating from the League. The WHL and Athabasca University have partnered to offer, through an online distance education platform, fully-accredited university courses to any WHL player interested in further pursuing post-secondary studies while playing in the WHL.

The WHL boasts a bona fide University and College hockey scholarship option. By playing in the WHL, players can take full advantage of one of the finest post-secondary scholarships available.

2023-24 WHL SCHOLASTIC PLAYER OF THE YEAR

Noah Chadwick, Lethbridge Hurricanes

Lethbridge Hurricanes defenceman and Toronto Maple Leafs prospect Noah Chadwick has been awarded the Daryl K. (Doc) Seaman Memorial Trophy as the WHL Scholastic Player of the Year for the 2023-24 season.

Chadwick not only prioritized his academics, he excelled in the classroom, graduating Grade 12 a year early and beginning his post-secondary studies at Athabasca University and Lethbridge College. At his high-school graduation, Chadwick was recognized with the Governor General Award, presented to the student with the highest grades in his graduating class.

"I'm extremely honoured and thankful to be selected for the WHL's Doc Seaman Award," Chadwick said. "It's a privilege and I'm really fortunate to be able to continue my education while playing in the WHL. It's great to be able to pursue the highest level of hockey while also pursuing an education. It's important to show kids that they can pursue their hockey and career goals while also pursuing an education at the same time."

At Lethbridge College, Chadwick earned a 98-percent average in English 1150—Academic Writing this fall. Working through Introduction to Statistics at Athabasca University, Chadwick secured a 93-percent average, while also recording a 91-percent grade in Psychology as a Natural Science.

Chadwick has been recognized for his outstanding contributions in the community and serves as a leader for his teammates, both on and off the ice.

"My father was a trailblazer in promoting hockey and a higher education," said Bob Seaman, son of Doc Seaman. "Doc was a staunch supporter of Hockey Canada and the Western Hockey League's efforts to prioritize both academics and hockey development."

"Let us all come together to congratulate Noah Chadwick, the 2024 Scholastic Player of the Year Award winner."

PLAYER OF THE YEAR

Four Broncos Memorial Trophy

The most prestigious individual award of the Western Hockey League has been named the Four Broncos Memorial Trophy in memory of the four members of the Swift Current Broncos who died in a tragic accident on December 30, 1986. The four players, Trent Kresse, Scott Kruger, Chris Mantyka and Brent Ruff all died when the Swift Current bus crashed while enroute to a game in Regina.

"In order that we never forget this incident, we have named this trophy in memory of these four young men," stated the late Ed Chynoweth. "Like hundreds of other players before them, and hundreds that will follow, WHL players spend countless hours riding the bus in pursuing their hockey aspirations. By naming the Most Valuable Player Trophy in honour of these four players, hopefully we will never forget the sacrifice given by these young men."

SCHOLASTIC PLAYER OF THE YEAR

Daryl K. (Doc) Seaman Trophy

Daryl K. (Doc) Seaman has been a pioneer in promoting higher education and hockey. For many years Doc Seaman has been a staunch supporter of the efforts of Hockey Canada and the Western Hockey League to ensure all players are able to combine education with hockey. As well, he has been a great promoter of the City of Calgary, as evidenced by his efforts to bring the Atlanta Flames to Calgary to become the beloved Calgary Flames of the NHL.

Due to Seaman's support for programs that promote the combining of education and hockey, and the Western Hockey League's education program in particular, the WHL has chosen to name the Scholastic Player of the Year Award in honour of Doc Seaman in 1996.

MOST SPORTSMANLIKE PLAYER

Brad Hornung Memorial Trophy

Tragedy struck twice in the 1986-87 season in the WHL. After the Broncos bus accident, the WHL was further grieved when Brad Hornung was paralyzed after an unfortunate accident in a game in Regina on March 1, 1987. In his two years with the Regina Pats, Brad Hornung combined talent, desire and an unmistakable sportsmanlike attitude. This award will honour other players who display the same attributes.

DEFENCEMAN OF THE YEAR

Bill Hunter Memorial Trophy

Bill Hunter is honoured for his role as a founder and builder of the League. Hunter served as Owner, General Manager and Coach of the Edmonton Oil Kings, while also serving as the first Chairman of the Board. Without a doubt, Bill Hunter was the driving force that kept the WHL in the forefront of Major Junior Hockey in Canada during his years as the "Godfather" of the Edmonton Oil Kings.

It goes without saying that Major Junior Hockey has never seen an individual as dedicated and enthusiastic as the man known as the "Fiery Red Leader," who along with his long time friend, the late Scotty Munro, were "the WHL" in its formative years.

GOVERNORS AWARD | DISTINGUISHED SERVICE AWARDS

WHL GOVERNORS AWARD

The WHL Governors Award is presented annually to individuals who through their outstanding achievements, both in the game and in service to the League, have contributed to the overall growth and development of the WHL. The WHL Governors Award is voted on annually by the WHL Board of Governors.

2022-23 Recipient

2022-23 Recipient: Kelly McCrimmon

Former Head Coach, General Manager, Governor and Owner of the Brandon Wheat Kings, Kelly McCrimmon has been named the 2022-23 recipient of the WHL Governors Award. During his time in Brandon, McCrimmon put his stamp on the organization with two WHL Championships — first as the General Manager for their 1996 Championship, then as the Head Coach during their 2016 Championship. He is the fourth winningest playoff coach in the WHL history with 80 victories in 140 post-season outings. Along with his post-season triumphs, McCrimmon also slots in as the 13th winningest regular season coach in WHL history with 465 wins in 847 appearances.

Following 28 seasons with the Wheat Kings organization, McCrimmon took his talents to the National Hockey League, joining the Vegas Golden Knights as the Club's Assistant General Manager for the 2016-17 season. In 2019-20, McCrimmon was further promoted by the Golden Knights, becoming the latest General Manager of the club. By June of 2023, McCrimmon had further cemented his legacy as one of hockey's greatest visionaries, as he raised the Stanley Cup as a member of the Vegas Golden Knights.

"On behalf of the Western Hockey League and our 22 member Clubs, we would like to extend our congratulations to Kelly McCrimmon for being selected this year's recipient of the WHL Governors Award," said WHL Commissioner Ron Robison. "Kelly has been the face of the Wheat Kings franchise in Brandon for over three decades and is one of the most respected General Managers and team owners in WHL history."
