Terms & Conditions

Suite Attendant / Bartender Details: During events, a Suite Attendant will be assigned to deliver your food and beverage orders, take additional orders, and assist in maintaining the cleanliness of your suite and a few others. Your Suite Attendant will ask for your final beverage order at the beginning of the third period during hockey games and at the beginning of the fourth quarter for basketball games. Guests may also order at the bar by the main elevator until the above times. When placing drink orders through the server, payment must be presented upon ordering.

Placing a Pre Order: To place a pre order, please fill out the order guide and email it to foodservice@tfse.ca. All pre-orders must be placed by 5pm, two business days prior to your event. If you miss the pre order deadline, your suite will have a Game Day menu to order items à la carte.

Game Day Menu: After the deadline above, our Game Day Menu will be available in your suite. Please note that Game Day ordering is provided as a convenience to our guests and is designed to supplement a pre order, not replace it. As a result, "Game Day" orders may take longer to arrive as pre orders are given priority.

Beverage Ordering: All suites are equipped with mini fridges that come fully stocked with a large variety of beer, ciders, seltzers, coolers, and Coke products including pop, water, and Powerade. Should you choose to unlock your mini fridge, beverages will be billed based on consumption and the suite attendant will keep the fridge replenished throughout the night. Note that all consumed beverages must go on one bill at the end of the event. (Hard liquor is not offered in the fridge and is required to be ordered at the bar or through the server. Please see our menu for liquor options.) If you prefer to lock your consumption fridge, you can pre order drinks by the 6-pack that will be placed on the countertop in an ice bucket. Alternatively, you can order 6-packs and/or wine bottles from the suite attendant when you arrive and throughout the night as needed. Please note that all orders placed with the server require payment upon ordering; there is no running of tabs within the suites. Please be aware that according to the British Columbia Liquor Control and Licensing Board (BCLCLB) and the policies of Langley Events Centre, no beverages may be brought into or removed from the Arena. Although it is the responsibility of the suite holder to ensure that no minors (those under the age of 19) or intoxicated persons consume alcoholic beverages in their suite, Langley Events Centre reserves the right to validate proper identification and refuse service to persons who appear to be intoxicated.

Special Requests: Should you have any special requests, celebrations, or notable clients in attendance, please enter this in the special notes area, and we will do our best to ensure your request can be accommodated.

Allergens: Should you or your guests have any allergies, please make the catering team aware in the special notes. While we do our best to prevent cross-contamination, please note that this is a large-scale venue and risk of cross-contamination is always present. If the dietary issue requires special food, guests may be given an exception to the no-outside food rule. Please email foodservice@tfse.ca for more details on dietary requirements.

Cancellation Policy: Should you find it necessary to cancel your suite catering order, please contact our Food and Beverage Team as soon as possible and we will make every effort to accommodate your request. 48 hour or same day cancellations may be subject to charge.

Billing: A credit card is required for all suite catering orders, both pre-orders and Game Day orders. For pre orders, Langley Events Centre will bill the card on file, and a receipt will be emailed within 48 hours of the end of the event. For Game Day orders the suite host(s) must present a credit card in suite upon placing an order. At the end of an event, the suite host(s) will be presented with an itemized bill for purchases day of, or billed and emailed a receipt for pre-orders. Please note we are a cashless facility.

Service Charges: Langley Events Centre is a tip and gratuity-free facility. The price you see is the price you pay. In lieu of tips, our service team is all paid above the minimum wage. We pride ourselves on being an accessible and affordable place for the community to enjoy local sports. If you are impressed with the service and would like to leave a tip, we encourage you to donate to KidSport Langley, a local non-profit that ensures all youth have a chance to play.
