

VIDEOGRAPHY INTERNSHIP / VOLUNTEER

Duration: 2025-26 Season

Reports to: Director of Business & Strategic Marketing and/or Manager of Broadcast & Content

In-Office Hours: Flexible Hybrid hours, 5-day work week + weekends for Home Games

Overview: The Victoria Royals are seeking a creative and motivated Videography Intern for the upcoming 2025-26 season. This role offers hands-on experience in capturing, editing, and producing video content within a fast-paced sports environment. The successful candidate will contribute to the team's digital media efforts by filming practices, games, behind-the-scenes content, and community events, while supporting the creation of engaging video features for social media, in-arena use, and other platforms. This is an excellent opportunity to build a professional portfolio and gain experience in sports video production.

Responsibilities Include:

- Capture high-quality video content at home games, practices, and select community events
- Edit and produce short-form and long-form videos for social media, web, and in-arena presentation
- Assist with game day video needs, including content capture, live content coordination, and post-game recaps
- Collaborate with the digital and marketing teams to bring creative video concepts to life
- Help manage and organize video assets and media archives
- Maintain consistency in visual style and branding across all video content
- Perform other tasks as assigned to support the team's media and communications efforts

Qualifications

- Experience filming with DSLR, mirrorless, or professional video cameras
- Proficiency in video editing software such as Adobe Premiere Pro, After Effects, or similar
- Ability to tell compelling stories through video with strong attention to detail
- Willingness to work evenings, weekends, and game nights
- Ability to work effectively under pressure in a fast-paced environment
- Strong communication skills and a collaborative mindset

Benefits

- Develop a video portfolio in a live sports setting
- Learn from experienced professionals in media and production
- Enhance technical skills in video shooting, editing, and storytelling
- Build connections within the WHL and sports media industry
- Possible academic credit, depending on your institution's requirements
