

Wenatchee Wild Internship Program

The Wenatchee Wild Interns are an outgoing and energetic group who enjoy interacting with fans and fellow Interns in a pleasant and respectful manner while helping to enforce the regulations of the building and providing any help that may be needed to the public. They are also dedicated students that provide Kids Zone staff, Guest Services assistance, ushers, and so much more for the Wenatchee Wild Hockey Club during Wild home games at the Town Toyota Center.

The Wild will host a Kids Day/Exhibition Game, and 34 regular season home games, along with playoff games from September to June (March is the end of the regular season) - **a minimum attendance of 60% is required (19 games)**.

The time commitment for game nights is 4 hours long. Participating in all 34 home games could mean 136 hours that can go towards community service, honor society, etc. With room to earn more hours through office tasks, game prep, and off-season events.
