OHL Appoints James Boyd As Vice President Of Hockey Operations

The Ontario Hockey League is pleased to announce the appointment of James Boyd as Vice President of Hockey Operations. A highly respected figure in the hockey world, Boyd brings more than two decades of experience in OHL coaching and management to his new role.

He will be responsible for the oversight and execution of all core functions within the League's Hockey Operations department, ensuring competitive excellence, rule and policy compliance, player and official development, and operational integrity across the League.

"James Boyd is one of the most knowledgeable and well-prepared executives in our game," said OHL Commissioner Bryan Crawford. "His extensive experience developing players, managing successful programs, and contributing to the growth of the OHL make him an ideal fit to lead our Hockey Operations team."

Boyd's career in the OHL has spanned more than 25 years. He most recently served as General Manager of the Ottawa 67's for nine seasons, guiding the team to consistent success, including earning Jim Gregory OHL General Manager of the Year honours in 2019–20.

Prior to his time in Ottawa, Boyd spent over a decade with the Toronto/Mississauga St. Michael's Majors and Mississauga Steelheads organizations (2004–2017), serving in various leadership roles including Head Coach and General Manager. His OHL coaching career began with the Belleville Bulls, where he was an Assistant Coach from 1999 to 2004.

In addition to his OHL coaching and management experience, he has also contributed to Hockey Canada's Program of Excellence, working with national teams at the Under-17, Under-18, and Under-20 levels.

As a player, Boyd skated in the OHL from 1993 to 1997 with the Kitchener Rangers, Ottawa 67's, and Belleville Bulls. Originally from Midland, Ontario, Boyd has earned a reputation for his leadership, professionalism, and commitment to player development both on and off the ice.

"I'm excited to join the Ontario Hockey League Head Office, collaborating with our league partners to continue improving all facets of the game for our players, families and passionate fans," stated Boyd of the new opportunity.

Boyd will assume his duties as the OHL's Vice President of Hockey Operations on Monday, November 17, 2025.

OHL Mourns The Loss Of John C. Hopper

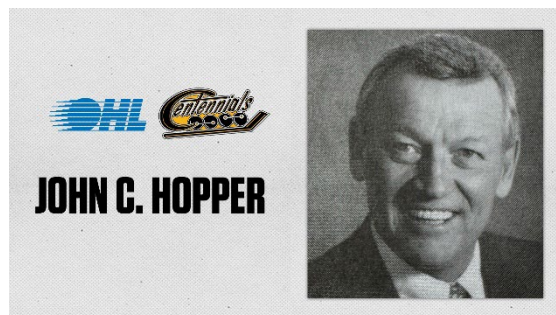

The Ontario Hockey League is mourning the loss of former North Bay Centennials owner John C. Hopper, who passed away on Monday in Picton, Ont. at the age of 88.

A prominent figure in North Bay, Hopper owned the Centennials from 1986 to 1998, through their glory years that culminated in an OHL Championship in 1994. It was the club's lone title, one that came on an overtime winner during Game 7 of the Championship Series against the Detroit Jr. Red Wings on a goal scored by Jason Campeau at the Gardens.

In addition to his ownership of the Centennials, Hopper was a prominent figure in North Bay, serving two terms on City Council from 1972-73 and 1975-76. He owned a successful car dealership that still operates under his name on McKeown Avenue in North Bay.

Hopper was well-known for his support of local charities, serving as the chair for North Bay's new Regional Health Centre nearly 20 years ago, where they raised more than \$7 million for the new hospital.

Windsor Spitfires Prospects On Course To Equal A Club Record

Article: Jim Parker, Windsor Star

Website: windsorstar.com

Windsor Spitfires are on course for a record-tying performance.

The NHL Central Scouting Bureau released its preliminary players to watch list for the 2026 NHL Draft and the Spitfires have seven players rated to be taken in that draft. If that were to play out, it would tie the franchise record for most players taken in an NHL Draft in franchise history with seven players – Adam Graves, Mark Kurzawski, Darryl Shannon, Kevin Kerr, Kent Hulst, Glen

Featherstone and Geoff Benic – selected in the 1986 NHL Draft.

However, it should be noted that the 2026 NHL Draft will be just seven rounds while the 1986 NHL Draft featured 12 rounds.

Much was expected of Ethan Belchetz when the Spitfires made him the No. 1 pick overall in the 2024 OHL Draft.

Those expectations only continue to grow for the six-foot-five, 228-pound Belchetz, who was given an A rating for the 2026 NHL Draft, which projects him to go in the first round.

“My thought process is to play my game and everything’s going to take care of itself,” said the 17-year-old Belchetz, who is tied for the league lead with 10 goals and sits tied for sixth in league scoring with 16 points in 13 games.

“If I’m battling hard every night and give 100 per cent compete effort, that’s all I can do and I can’t worry about what’s going on that I can’t control. Just kind of control what I can control.”

Should Belchetz go in the first, it would tie another franchise record making it three years in a row the Spitfires have produced a first-round pick joining linemates Liam Greentree, who was a first-round pick by the Los Angeles Kings in 2024, and Jack Nesbitt, who was a first-round pick by the Philadelphia Flyers in 2025.

“Belchetz, will be, hopefully, a top five pick this year,” Nesbitt said.

Windsor had a three-year run of NHL first-round picks from 2008-10 when the club saw Josh Bailey (2008 to the New York Islanders), Greg Nemisz (2008 to Calgary), Ryan Ellis (2009 to Nashville) and Taylor Hall (Edmonton) and Cam Fowler (Anaheim) taken in the first round.

Six other Spitfires gained recognition on the preliminary list.

Goalie Michael Newlove, who was on the mid-term list a year ago while playing in junior A, is back on this year’s list. The six-foot-three, 182-pound Newlove was given a C rating, which projects him to go in the fourth or fifth round of the NHL Draft. The 18-year-old Newlove, who is positioned to become the team’s No. 1 goalie next season when Joey Costanzo graduates, has a 2.49 goals-against average and .915 save percentage in four games this season.

Two other members of the Spitfires were given a C rating in first-year forward Caden Harvey and second-year forward J.C. Lemieux.

A fifth-round pick in this year’s OHL Draft, the six-foot-one, 183-pound Harvey has eight points in 13 games with the club this season. The five-foot-11, 190-pound Lemieux, who was a second-round pick by the club in 2024, has seven points in eight games this season.

Spitfires’ defencemen Carter Hicks and Andrew Robinson along with forward Beksultan Makysh were given a W rating, which projects them to be taken in the sixth or seventh round.

Six-foot-one, 180-pound Hicks, who was a second-round pick by the Spitfires in 2024, has a goal and three points and is a plus four in 13 games this season. In his first full season in the league, the six-foot, 190-pound Robinson has two assists and is a plus four in 13 games. Meanwhile, the five-foot-nine, 170-pound Makysh, who is a native of Kazakhstan, is tied for third in team scoring with six goals and 11 points in 13 games and leads the team with a plus nine rating. He was the 112th selection in this year’s Canadian Hockey League Import Draft.

It might be surprising to not see forward Ethan Garden make the preliminary list.

The five-foot-nine, 172-pound Garden was a ninth-round pick by the Spitfires a year ago, but the club quickly inked the Michigan native and he became a fixture in the lineup while appearing in 55 games.

This season, the 17-year-old Garden is sixth in team scoring with four goals and 10 points in 13 games and is a plus five on the season.

“Obviously, Ethan’s play speaks for itself, but he doesn’t have a typical NHL frame,” Spitfires’ general manager Bill Bowler said. “I’m confident that some who watches the Spitfires play will appreciate how Garden plays and it only takes one team to like you.”

Rule 38.4 – Expanded Coach’s Challenge / Video Review

Previously, a coach’s challenge was only able to be utilized to review potential instances of interference on the goaltender leading to a goal, provided that team had a timeout remaining.

Effective for the 2025-26 regular season, coach’s challenges may be issued in the following scenarios, regardless of remaining timeouts:

- Scoring plays involving potential interference on the goaltender.
- Potential offside play leading to a goal.
- Missed game stoppage event in the offensive zone leading to a goal (ie; missed high stick by attacking team in offensive zone).
- Penalty situations for delaying the game (ie; puck over glass).
- Team may only challenge if a penalty is assessed on the play.

An unsuccessful coach’s challenge in any of the above scenarios where the original call is not overturned will result in a minor penalty for delaying the game.

In the final minute of regulation and throughout overtime, the video goal judge will initiate the review of any scenario that would otherwise be subject to a coach’s challenge.

Rule 52 – Slew-Footing

Previously, a player guilty of slew-footing an opponent could only be assessed a match penalty, or have the infraction entirely overturned by way of video review.

Effective for the start of the 2025-26 season, players may now be assessed a four-minute double-minor for slew-footing.

Should the opposing player land dangerously on the ice or into the boards, a match penalty will be assessed.

All slew-footing infractions (both double-minor or match penalties) trigger a post-game review for possible supplementary discipline by the OHL Department of Player Safety.

Rule 63.8 – Delaying the Game

If a goalpost was accidentally dislodged by a defending skater, causing a stoppage in play, the ensuing face-off would occur inside the defending team’s zone, and no line changes would be permitted.

Effective for 2025-26, defending goaltenders have been added to the above criteria, preventing that goaltender’s team from making a line change should he accidentally dislodge the net.

Rule 75.2: Unsportsmanlike Conduct – Sitting on the Boards

In the interest of player safety, any player who sits on the boards (with skate(s) exposed) during play will be warned by the referee. The offending team (coach and players) will receive one warning. After one warning, a minor penalty will be assessed for any subsequent violation.

Rule 76.4 – Faceoff Violations

Previously, on a faceoff following an icing call, the defending centreman would receive a warning for a faceoff violation, and the second infraction committed by the defending centreman would result in a minor penalty. The centreman for the attacking team would be ejected following his first faceoff violation.

Effective for 2025-26, both centreman on a faceoff following an icing will receive a warning following a faceoff violation, and the second violation by that same centreman will result in the offending team being assessed a minor penalty.

On all other faceoff scenarios, either centreman will be ejected from the faceoff circle following an infraction without warning. On a team’s third faceoff violation, they will be assessed a minor penalty.

Rule 84.4 – Shootout Scrape

Previously, during the break between overtime and a shootout, the ice resurfacing machine would make four passes to clean 22-24 feet of the ice surface.

Effective for 2025-26, only an ice cleaning crew will remove snow from the goal crease area without the need of the ice resurfacing machine.
