Windsor Spitfires Partner With Windsor AAA Zone

On May 8, 2023 the Windsor Spitfires announced a partnership with the Windsor AAA Zone hockey program.

Now in it's fourth season this relationship saw the AAA zone change their W logo and embrace the Spitfire brand.

The AAA Zone benefits from the Spitfires by receiving new jerseys as well as coaching clinics and player appearances throughout the hockey season.

The Spitfires continue to support the community with local appearances and by growing the game at the grassroots level.

“On behalf of the Windsor AAA Zone we are so proud and excited to announce a partnership with our hometown Windsor Spitfires!” said Fred Baldwin at that time.

“The AAA Zone will officially be named the Windsor Jr. Spitfires!

It is such a tremendous opportunity and honour for our zone to partner with such a storied franchise and amazing ownership group! This unique partnership will help provide our players and families endless opportunities and memories that will last a lifetime!”

“The Windsor Spitfires are proud to bring in the Windsor AAA Zone under our Spitfires brand.” General Manager Bill Bowler said. “With this partnership, we will be able to provide mentorship to their program, we feel this is a win for both organizations and our community.”

Windsor Jr Spitfires shall be an advocate for, and promoter of, ‘AAA’ hockey and on an ongoing basis to further the development of ‘AAA’ hockey programs by encouraging the highest degree of sportsmanship and fair treatment amongst all its members and participants/players.

More particularly, Windsor Jr Spitfires objective is to maintain and further advance a ‘AAA’ Hockey program for the benefit of eligible resident players of Windsor ‘AAA’ zone centre’s as follows:

AAA Zone Centre’s:

- Windsor Minor Hockey Association
- LaSalle Minor Hockey Association
- Riverside Minor Hockey Association

Oshawa Generals with the first overall pick in the 2026 OHL Priority Selection, select position name.

Name played in the 2025-26 season with the team name.

In 0 games name scored 0 goals & added 0 assists for 0 points.

The Windsor Spitfires have officially brought one of their future pieces into the fold.

The OHL club announced on July 9, 2025 that it had signed 15-year-old John McLaughlin to a standard scholarship and development agreement.

Windsor chose McLaughlin with the 21st overall pick of the 2025 OHL Priority Selection.

"After the draft, I was able to visit and take in one of their playoff games, and that experience really stood out," said McLaughlin. "The energy in the building with their fans was amazing, and the way everyone treated me and my family made us feel right at home."

OHL Priority Selection Process

In 2001, the Ontario Hockey League conducted the annual Priority Selection process by way of the Internet for the first time in league history.

The new process allowed for eligible players and their families, as well as fans across the league to follow the process in real time online.

The 2025 OHL Priority Selection will once again be conducted online beginning with Rounds 1-3 on Friday, April 11th at 7:00pm followed by Rounds 4-15 on Saturday, April 12th beginning at 9:00am. Fans can follow the entire process online at ontariohockeyleague.com and streaming live at ohlive.com as well as on the league's YouTube, X and Facebook accounts. The Priority Selection will also air on YourTV, Rogers tv and Eastlink community stations (check local listings).

Player Eligibility
North American players born in 2009 and non-overage players that were not carded with an Ontario based U16 AAA team from protected OHL territories are eligible for selection in the 15 rounds of the 2025 OHL Priority Selection.

Selected Players in the OHL
OHL Member Teams are permitted to register a maximum of four 16 year old players selected in the OHL Priority Selection. Those 16 year old players that are allowed to be signed are the first two 16 year old players selected and a maximum of two additional 16 year old wild carded players in any round of the OHL Priority Selection.

All other 16-year-old players selected are eligible to be called up as an "affiliated player" or "floating affiliate player" for a maximum of 10 games or for any OHL regular season or

playoff games when such player's team has been eliminated from competition for that season.

Order of Selection
Beyond those four teams (Peterborough, Guelph, Ottawa, Sarnia) whose first round order of selection was determined through a lottery process, the order of selection is determined by inverse order of finish during the past OHL regular season schedule of games.

OHL Central Scouting
The Central Scouting Bureau of the Ontario Hockey League is an information service and support organization designed to provide the Member Teams with a reference in regards to the players available for selection in the annual Priority Selection Process.

The primary objective of OHL Central Scouting is to identify, rate and rank players to be eligible for

the Priority Selection, according to their OHL potential. OHL Member Teams combine player data received from the Central Scouting Bureau with evaluations from their team scouting staffs to make their player selections.

The OHL Central Scouting Bureau has been evaluating players since the 1975-76 season.

2026 U18 OHL PRIORITY SELECTION

Announced in January 2017, the concept of the OHL Under-18 Priority Selection was developed with full support from Hockey Canada's three Ontario Branches including the Ontario Hockey Federation (OHF), Hockey Eastern Ontario (HEO), and Hockey Northwestern Ontario (HNO).

Eligibility for the 2026 OHL Under-18 Priority Selection included all U18 players (2008 and 2009 birth years) not currently on an OHL Member Team Protected List who were carded with an Ontario based U18 AAA Hockey Club or an accredited Hockey Canada sport school within the Ontario Hockey Federation, Hockey Eastern Ontario or Hockey Northwestern Ontario in the current season.

A total of 52 players were selected from 32 different teams and included 26 forwards, 14 defencemen and 12 goaltenders. 47 of the 52 players selected were born in 2009 with the remaining 5 born in 2008.

All OHL member teams were required to draft a minimum of 2 players, however to enhance opportunities specifically for goaltenders, clubs selecting a goaltender with one of their selections had the option to select another player (skater only) in a third round.

The Greater Toronto Hockey League (GTHL) led the way with 15 players selected while the Ontario Minor Hockey Alliance of Ontario (ALLIANCE) had 12, Hockey Eastern Ontario (HEO) featured 6, Hockey Canada Accredited Sports Schools produced 5 players chosen in the U18 Draft followed by HEO's Upper Canada Cyclones with 4.

2026 CHL IMPORT DRAFT

Ontario Hockey League clubs added 32 players in the 2026 CHL Import Draft on June 30, 2026, a class made up of 21 forwards, 6 defencemen & 5 goaltenders.

The 5 goaltenders match the most ever taken by OHL teams at a single Import Draft, tying marks set in 2025 & 2009.

Of the 32 players selected, 15 are eligible for the 2027 NHL Draft & 5 are 2028 NHL Draft prospects.

Czechia & Russia paced all nations with 8 selections apiece, followed by Finland with 5.

Held annually since 1992, the CHL Import Draft allows Canadian Hockey League clubs to select players from outside Canada & the United States. For the second straight, the draft consisted of three rounds, reflecting the three roster spots permitted per club.
